Subscribe. It's more than just a ticket!

Being a VIP has its perks. Here are some highlights:

We know Geva Subscribers lead busy lives and that despite best plans, schedule conflicts arise. 6-Show and Flex Ticket Holders enjoy **ultimate attendance flexibility** - you can exchange your ticket for another performance of the same play, as late as noon of the day of your originally scheduled performance, with no penalty. Last-minute changes in your schedule don't mean you have to miss the show!

Savings, savings, savings! Your Subscription tickets are discounted as much as 70% depending on your package. And you can buy additional tickets to performances for friends and family with Subscriber-only discounts! You also have preferred customer status which allows you to purchase other shows not included in your package such as *A Christmas Carol* or our Sizzling Summer Show before the general public (and of course with a generous discount!).

Sign up for **Virtual Valet** and we'll send you email reminders of your performance dates, giving you plenty of time to make that restaurant reservation, plan your evening, or, if needed, make an exchange for a new date.

You're an honored customer at businesses around town! Geva Theatre Center has made arrangements for our Season Subscribers to receive special offers and discounts for local restaurants, shops and services.
