The third Sunday matinee performance of every Mainstage production is **Audio-Described** by a live narrator for patrons who are blind or visually impaired. The pre-performance description of sets and costumes begins after Prologue, at approximately 20 minutes prior to curtain, and visual details are verbalized during the performance.

Audio-description receivers and **Braille programs** are available in the lobby. A major credit card or form of ID is collected as a security deposit for the receiver, and patrons may keep the Braille programs.

If you will be bringing your guide dog to the theatre, please inform the box office and request an aisle or front row seat so that we can make appropriate seating accommodations.
